Thanks to **Mumbai Samachar** for covering this event in a big way with 2 colour photographs.

Warm Rotaract Greetings to all !!

'Mere colour, unspoiled by meaning, and unallied with definite form, can speak to the soul in a thousand different ways'

On the occasion of Childrens days, we at RCMB witnessed the soul touching display of colour and art.

Colour Palette - an inter school drawing competition was organised by RCMB on the 14th of October, at Veer Sawarkar Udyaan at Borivli.

The main purpose of the project was to bring out the best of creativity in the kids and enable them to recognize their own skills !! The competition was organised for the students of age 12 to 14 years of age.

The team of Colour Palette worked hard in approaching 15 schools of Borivli, out of which a total of 8 schools participated with a registration of 45 students. The guest judge for the event was Mrs. Payal Kapadia who works as an assistant teacher with Mr. Subodh Narvekar.

The students were all fresh and enthusiastic and had come prepared to win. We had already provided them with the topics. They were given one an half hour to complete their drawings. Our judge took her rounds, checking out the outcome by the students.

I must say, the competition was tough but the decision was to be made and a winner had to be announced.

All the students were given participation certificates. And then was the time to announce the winners.

Students from Vijay Nagar High School and A. D. Pawar won the firsts , second and the third price respectively.

They were given gift vouchers from Anupam stationary.

All in all it was a great way to celebrate Children's day !

Looking, forward to doing more such projects in the future.

Yours in Rotaract

Rtr. Bhumika Soni

President 2010-11
