

President connects..

Dear friends,

Hope you are enjoying the Festive Months. I am sure Lord Ganesha blessed all his devotees, and assured them to come again next year. Id Mubarak to all our Muslim friends and to all my Rotarians and their families, Michami Dukkodam.

The youth of today is the driving force of tomorrow. The youth of every country is its valuable human resource. The responsibility of change, progress and innovation lies on their shoulders. RC Borivli youth leader, Interact club President Miss. Sashmi was installed as charter president of the club on 5th of September 2010.

October is Vocational service month, the soul of Rotary lies close to its vocational service. Paul Harris founder said, "Each Rotarian is a connecting link between the idealism of Rotary and his trade or profession" Rotarians are encouraged to focus on this important avenue of rotary service. Our Rotarians are helping each other with their vocational expertise at club level and beyond.

We are beginning the month of vocational service by starting advance Mehendi classes for the students of Gokhale College followed by industrial visit, leadership development programme at Pragati High School with P. N. Singh foundation for the students of 9th standard, co sponsored by Interact club. We are arranging a very important seminar on Arbitration by chandrakant kamdar

Wishing you all Nappy Navratri and Vijaya Dashmi.

Thank You,

Ashok.

Editorial ...

Dear Friends,

It is indeed great joy interacting with you. I invite all the members to share their views, suggestions or even their experience of traveling either on business or on holidays. Friends,

After 10 long days of "**POMP AND SHOW**" the "**VIGHNAHARTA**" has left, leaving behind '**BLESSINGS AND PROSPERITY**', '**NEW AIMS AND ASPIRATIONS**' for his Bhakts to cherish and dream. Fun filled moments of joy and happiness on each individua, whether rich or poor, is really worth admiring during this period. But the "**BAPPA**" also leaves behind a big task for the BMC. Trucks and trucks accompanied with tractors are seen lined up on beaches the next morning. Thanks to environment conscious NGO'S like the ROTRACTOR help them in this stupendous task of "**CLEANING UP**". Let us take a message from these young friends of ours .**NO RIGHT SHOULD BE ENJOYED WITHOUT A CORRESPONDING DUTY.** Very correct. Let us all celebrate and enjoy our traditional festivals to our fullest, but let us also take a vow to clear up the mess left behind and once again make our city '**CLEAN AND BEAUTIFUL**' .

A few days of waiting and the celebrations of NAVRATRI, followed by DUSSHERA and DIWALI will start. My best wishes to each and every Rotarian to come out of their routine and celebrate festivals in an enthusiastic and exiting manner. After all we "**DESERVE IT**", as we all are the proud lads of our "**MOTHER INDIA**".
