President connects..

My fellow Rotarians,

August is the designated month for Membership . Our challenge is to bring people into Rotary Clubs, induct them as Rotarian and ensure to make the Clubs bigger, better and bolder.

Our club has been blessed with many leaders beyond club levels. They were all ordinary Rotarians; it is their dedication towards community, fellowship and core ethical values, promoted them to higher levels.

RI President Ray Klinginsmith says - We firmly believe that the future of Rotary will not be shaped on RI World Head Quarters in Evanston, it will be shaped in each and every Rotary Club & it is for each of us as Rotarians to do what is necessary to keep Rotary Strong all this is up to you dear Rotarians, as "Building Communities & Bridging Continents".

I have always thought it is important to understand that Rotary is a voluntary organization, composed of successful people in their own vocation, leaders par excellence. I will never demand, but my leadership is to motivate and guide. Our top priority would be Rotary Centre and Eye Bank. I am glad that PP Umesh Soni opened our building fund account with generous donation of Rs.1,00,000. I am confident that many will follow.

It is extremely pleasing to note the involvement of Rotarians in large number, in the club projects and meetings; I am committed to ensure greater participation of Inner Wheel, Rotaractors, Intractors, and RCC in projects and programmes.

My trusted Club Officers will support me, making a difference together as a TEAM, to achieve bigger results in the Rotary year 2010-11.

Yours in Rotary,

Ashok.

Editorial ...

Two friends were walking through the desert. At one point of the journey they had an argument, and one friend slapped the other's face. The one who got slapped was hurt, but without saying anything, he wrote in the sand: "Today my best friend slapped me in the face."

They kept walking until they came to an oasis, where they decided to bathe. The one who had been slapped got stuck in the mire and started drowning, but the friend saved him. After recovering, he wrote on a stone: "Today my best friend saved my life."

The one who saved his best friend asked him, "After I hurt you, you wrote in the sand but now, you write on a stone, why?" The friend replied: "When someone hurts us, we should write it down in sand where winds of forgiveness can erase it. But, when someone does something good for us, we must engrave it in stone where no wind can ever erase it."

So learn to write your hurts in the sand, and carve your benefits in stone.

Umesh Soni.

Congratulations and best wishes to President Ashok and his team.

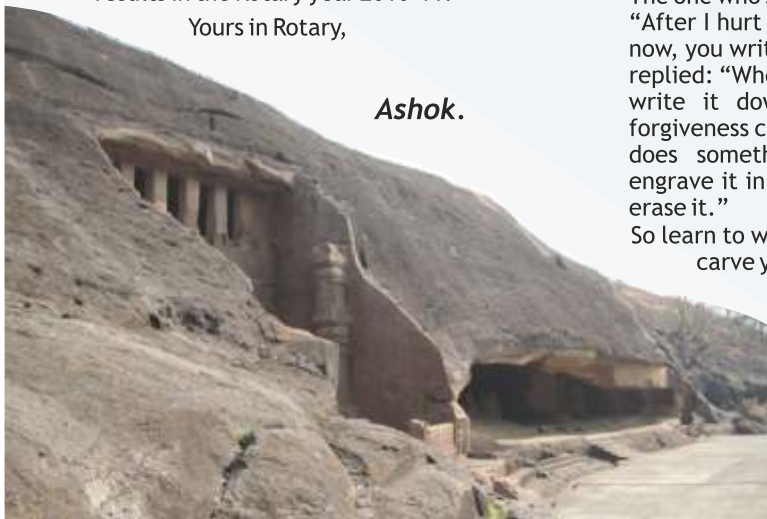

Festivals of India have always drawn the attention of millions of people all over the world. They portray the richness of celebration and togetherness of the age old tradition and culture of our country. Come July (Ashadh/Shravan) and the fulfilled days of joy and celebrations begin and the downpours almost all over the country adds to its beauty. Of the numerous festivals we celebrate in the month of July, Guru purnima is one of very recently celebrated. The love and respect to be shown to a guru can only be taught in a country like ours. Anyone who teaches you something is a guru and hence worthy of being respected and worshiped. This shlok is dedicated to all the gurus in the world who have a very important role to play in our lives.

WHY YOU JOIN LOCAL ROTARY CLUB?

A) FRIENDSHIP: Fellowship was primary a reason. Rotary was started in 1905, & it remains a major attraction. Today, with more than 33,695 Rotary clubs in over 206 countries, Rotarians have friends wherever they go. Rotary helps to build community as well as enduring friendship.

B) GOOD CITIZENSHIP: Membership in Rotary makes one a better citizen. Weekly Rotary club programmes keep members informed about what is taking place in the community, nation & world. Rotary's vast network of clubs & programmes provides extensive opportunities for service & interchange.

C) ETHICAL ENVIRONMENT: Rotarians practice a 4 way test that measures words & action by their truthfulness, fairness, goodwill & benefit to all. Encouraging high ethical standards in one's profession & respect for all worthy vocations has been a hallmark of Rotary from its earlier day.

D) FAMILY FOUNDATION: Rotary sponsor's some of the world's largest youth education exchange & scholarship programs.

Rotary club provides innovative training opportunities. They involve family members in a wide range of social service activities.

E) PROFESSIONAL NETWORKING: A founding principal of Rotary was to provide a forum for professional & business leaders. Members are leaders in business, industry, the professions, the arts, government, sports, military, & religion. They make decisions & influence policy.

F) PERSONAL GROWTH & DEVELOPMENT: Membership on Rotary ensures continuing personal & professional development, leadership, public speaking & communication, organisation & planning, team-building, fund-raising & teaching are just a sampling of the skills that can be exercise & enhanced through it.

G) WORLD UNDERSTANDING: Rotary members gain an understanding of humanitarian issues & have a significant impact on them through international service projects & exchange programs of RI & its foundation. The promotion of peace is one of Rotary's highest objective.

Message from Inner Wheel President

"YOUR LIFE IS NOT A COINCIDENCE .

IT'S A REFLECTION OF YOU".

These simple words reflect our theme for the year - Commit with conviction, compassion & consistency. These 4 C's are interwoven to produce a beautiful fabric of Inner Wheel.

INNER WHEEL the only platform that gives you an opportunity to explore the potential of service to humanity lying dormant in a person. But this service can be effective only if it is done with keeping in five appendages of services:

- * The first appendage is Silent Service . The sun, the flowers, the clouds and the air all serve, but silently.
- * The second appendage is Humble Service. Humbleness comes from understanding that we are being given an opportunity to be of help to someone.
- * The third appendage is Compassionate Service. Love for the deprived must be present at all times and expressed frequently.
- * The fourth appendage is Sacrificial Service. Unless you

sacrifice something your time, your money and your other priorities, your service is not complete.

* The fifth appendage is Spiritual Service. Our souls must be stimulated by the divine thought that we are offering service to humanity as our prayer to God.

Friends, May service tinkle a bell in our hearts and teach us to walk the path of service and live a life offering Sacrifice, Service and Sympathy.

So, Friend's Let's join and add to the glorious years of service put forward by our ROTARIANS IW PAST PRESIDENTS and their TEAMS and look forward for a memorable service to society in 2010-11.

I believe that one should:

Give without counting the cost as a mother does.

Give without expecting anything in return!

Live simply and appreciate what you have.

Remember, God Loves a cheerful giver.

Surekha Punamiya
