DARE 2 DANCE

Dare To Dance was held on Saturday, 26th Feb 2011 at Prabodhankar Thackrey Mini Auditorium, with a aim to encourage students from various colleges and to bring out their talents in performing arts.

The surplus from the project will go to Dr SS Pandya Memorial Loan Scholarship Fund.

The project started with the tradition lighting of the lamp. Welcome by Rotary President Ashok Shetty and Rotaract President Bhumika Soni.

Twelve teams from different colleges participated in the competition. The dances performed by the spirited and talented youngsters dazzled the audience. Different dance forms like folk and modern dances were performed by the contestants. The judges Mr Rajesh Patil & Mr Santosh, who are famous dance choreographers, appreciated the dances and had a tough time in deciding the winners. While the judges went about finalizing the winners the audience was enthralled by a lawni dance by Arohi Pathak. St Rock College students Shriom Shukla and Arjun Gupta's performance of robot dance was declared the 2nd runners-up, Kanchan and Gayatri of Dalmia College who dazzled with their lively lawni were the first runner-up and bee-boing and hip-hop by Sarang & Sachin of S.V.P College emerged as the winner.

All the participants were given certificates and the winners were awarded with trophies.

The show was wittily compared by Shri Vikrant and Rtr Khushboo Rawal.

Kudos to project directors Rtn Viren Jethwa and Rtr Rafik Sayed for a finely conceived and ably executed project. Thanks to the sponsors Shagun, Jagdishbhai Dani Classes, Hemant Shah and Max Computers.

Prem Pankh Paridhan

A performance of Dance & Music by Special Children organised on 13th Feb 2011, at Prabodhankar Thackrey Hall, Borivli was a project which warms the heart of all the attendees is our annual talent show for special children.

This year's theme was love. The children performed many dances, played musical instruments and even compared the show.

Their enthusiasm, colourful costumes, wonderful props and scintillating performances left the packed auditorium spellbound and yearning for more. Hats off to the choreographers and teachers of Posat Foundation for their great effort.

Blessed are the parents of the children who believe and support them. The children performing may have been mentally or physically challenged, but their spirits were very high and served to teach everyone a lesson or two about meeting challenges head-on. Kudos to project Chairman Ajay and President Ashok for a wonderful and meaningful project.

- Mudrak Lalaji, Secretary

Rotaract & Inner Wheel Corner

Inner Wheel Club of Borivli

Inner Wheel Club of Borivli had organised a visit to Vividh Bharti, radio station, on 9th and 10th Feb for the 8th standard students of Vidya Vikas and A.D. Pawar Highschool of Borivli. Around 100 students could meet the announcers and also had their voices recorded. It was a thrilling experience for them and us too.

On 3rd Feb, a very special program of escorting physically challenged students of Asmita Foundation to ISCKON and SIDDHI VINAYAK Temple was carried out with great joy. Six of the were on wheel chairs, eight on crutches and others challenged. It was a touchy darshan as they wept after having VIP darshan of Lord Ganesha and said that never in their life they thought that they would have darshan so closely.

It was a heart touching experience for the children of Asmita foundation.

Surekha, President.

Rotaract Club of Mumbai Borivli - Road Runner

Road Runner was a Hog-a-thon event organised for the youth of all age on the 6th of February. It was a running and eating event where a team of two people were required to run as one team. The teams battle against each other to reach the finishing line by crossing 5 checkpoints in Borivli in the race along a fixed route. At each checkpoint, the teams were given some food items which they must

gobble down before they are allowed to run further. What's more, there were also some drinks awaiting the teams at the checkpoints, which they must pour down their throats too! The concept was very simple. It

was a race to find 'the hogger' amongst the participant. Upon finding that reward them for their unique ability to eat large quantities of food at one go. What can be more simple in life ?? There were a total of 12 rotaract and non-rotaract teams.

The event started from Gossip cafe and moved on to Aura Restaurant, Planet M, St. Lawrenace School, Devki Nagar, and finally Eskay resort. Kudos to Project chair person Rtr. Varun for concept and execution. The event was a huge success thanks to our sponsors Brewberry cafe and Beans and Beyond.

Bhumika, President.

March ki Diary

- 4th, Friday Budget-2011, Speraker : PP Prakash Desai at Garjato Maratha - 08.00PM Onwards
